

McHenry County College Excellence in Community Service Award

General Information

The McHenry County College Alumni Advisory Council cordially invites the community to nominate graduates of McHenry County College for the **Excellence in Community Service Award**.

This Award recognizes an MCC graduate who has made a significant contribution by volunteering his/her time in the community. Successful candidates will have a detailed history of involvement within the community. A history of multiple organizational involvement and length of volunteer work will be a determining factor of consideration for this award. Recognizing that elected officials have a different commitment to their community than volunteers, elected officials are not eligible.

Award Determination

The Alumni Advisory Council Awards Committee will review nominations and make determinations. Final selection will be made by the Council and forwarded to the Board of Trustees for formal approval. **Nominations are accepted at all times.**

Presentation of Award

Award recipients may be invited to attend special events, graduation and recognition ceremonies held December in their honor. Award recipients are not required to be present to receive the Excellence in Community Service Award, but their attendance makes the event more memorable. Awardee's story and/or image will be shared through press releases and inclusion in College publications announcing this honor.

Eligibility Criteria

- Nominated by a faculty, family or community member.
- Graduated from McHenry County College with a degree or certificate.
- Completed formal application (*available in the Friends of MCC Foundation office – C122, the Alumni Board in building A – across from Student Life Office, or via download from www.mchenry.edu/alumni*).
- Provided at least one letter of support, different from nominator, endorsing nominee's recommendation.
- Has a history of serving the community.
- Has specific examples of service activity that supports community organizations and/or the college.
