

## **Tobacco Free Campus Policy**

To promote a safe, clean, and healthy learning environment, McHenry County College prohibits the use of tobacco products inside College facilities, in all College vehicles and on all College property. This includes the burning of any type of cigar, cigarette, pipe, electronic cigarette, or any other smoking equipment. The use of smokeless/chewing tobacco is also prohibited.

It is the responsibility of all faculty, staff, students, and visitors to comply with this policy. Refusal to comply with this policy may result in citations issued by the Campus Public Safety and/or disciplinary action by the appropriate administrative office:
