

## Requirements for the Associate in Fine Arts (AFA) Degree—Music Option

The Associate in Fine Arts degree allows students to complete a significant number of lower-division courses toward a Bachelor of Fine Arts degree. BFA programs are highly structured and require many sequential courses in the major field at the lower-level. As a result, the AFA degree does not include the entire IAI General Education Core Curriculum (IAI GECC). This means that students who earn an AFA degree must complete the general education requirements for the bachelor's degree at their transfer school. It is important that students work closely with an MCC academic advisor and their transfer school.

The following requirements apply to students who first enrolled for Summer 2017 or later. Students who first enrolled prior to Summer 2017 should contact an academic advisor for more information.

- Credit hours are shown in parentheses in front of the course number.
- IAI GECC course numbers are in bold (e.g., **C1 900**). Students must make sure courses are IAI GECC articulated during the semester in which they are taken. Please see an academic advisor for more information about IAI course equivalencies.

Curriculum: BAC 070	Credit Hours			
<b>Communications (C)</b> 3 courses A grade of C or higher is required for ENG 151 and 152.	9	(3) ENG 151 Composition I (3) ENG 152 Composition II (3) SPE 151 Intro. to Speech	<b>C1 900</b> <b>C1 901 R</b> <b>C2 900</b>

<p><b>Total Degree Requirements</b></p>	66		

**Other AFA – Music Graduation Requirements:**

- Total of 66 credit hours
- 2.0 minimum cumulative GPA at MCC on completion of degree
- 15 semester hours taken at MCC
- Completion of E-Portfolio end-of-program assessment
- Completion of graduation application

**Degree Notes:**

- No single course can be used to meet two different requirements.

- Students who are interested in majoring in music should contact an MCC academic advisor before selecting a transfer program.
- Students should contact their transfer school as soon as possible for evaluation of their MCC credits.
- Many schools require auditions and/or placement testing for admission to the music program and for transferring major-related courses. Competency in a foreign language may also be required.
- Acceptance of a D grade and non-traditional credit (CLEP, AP, DANTES, military service, proficiency exam) varies from institution to institution.
