Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

Transferring with an Associate in Applied Science Degree (AAS)

- Aurora University requires general education coursework beyond that completed through the AAS degree. It can be completed either through transfer coursework and/or Aurora coursework.
- See Education Plan on this guide for transferability of specific AAS degree general education and major -related courses.

Admission Criteria

- **Adult Degree Completion Programs** - minimum of five years of relevant full-time work experience required
- **Transferring with 15 or more completed semester hours at the time of application** - admission decisions based primarily on prior college records
- **Transferring with fewer than 30 completed semester hours at time of application** – proof of high school graduation or completion of GED required
- **GPA** - 2.0 cumulative GPA

GPA calculation for admission - based on all coursework transferring into Aurora from all institutions attended; for repeat courses, highest grade is calculated

Class format - year-round in eight-week modules, evening hours

Maximum hours from a community college - maximum 68 academic credits from a community college

Foreign Language Requirement – no foreign language requirement

Grade requirements - D grades not accepted in transfer unless they are IAI GECC courses and IAI GECC completion noted on transcript (minimum grade of C always required for English Composition courses and major-related courses)

Application deadlines - rolling admission
