Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

The BA in Social Work (BSW) and Master of Social Work (MSW) at George Williams College (GWC) are accredited by the Council on Social Work Education (CSWE). Students who complete the BSW program are eligible to receive up to one year of credit toward the MSW degree at GWC. Students may then complete the MSW (full-time) in one academic year.
