

Theatre Arts Transfer Guide McHenry County College

This transfer program for the prospective Theatre Arts major is recommended by the Illinois Articulation Initiative (IAI) and can be incorporated into MCC's Associate in Arts (A.A.) or Associate in Science (A.S.) degree. It is designed to help students who have decided on the Theatre Arts major but who are **undecided about a baccalaureate transfer school. If you know where you will transfer, DO NOT use this guide. Instead, use course information specific to the major at that school.** The decision to accept courses is always up to the transfer school, and responsibility for complying with requirements ultimately rests with the student.

The following are course suggestions to follow while you are deciding on a specific transfer institution. **(Please remember that all of these courses may not be required at the transfer school you choose.)**

PLEASE SEE AN ADVISOR FOR GUIDANCE IN SELECTING A TRANSFER SCHOOL AND APPROPRIATE COURSEWORK.

THE 159 (3 cr.) - Stagecrafts

Don't Forget!

- **Do not take too long to decide on your transfer school. There is no guarantee that all of the courses listed on this guide will be required at your transfer school. Also, there may be other MCC courses that your transfer school will accept or require.**
- **Foreign language is a graduation requirement for B.A. Art major at many schools.**
MCC's A.A. degree foreign language requirement: Completion of the same foreign language through the 4th semester college-level class.
- **Four-year schools have specific requirements for admission to the major (e.g., minimum grade point average).**
- **The completion of the coursework on this guide does not satisfy a degree at MCC.**

The Illinois Articulation Initiative website was used to create this guide. Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Students should check with an MCC advisor and with the IAI website (www.itransfer.org) for the most current course recommendations.
