Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should check with an MCC advisor and the four-year school as soon as the transfer decision is made. Responsibility for complying with requirements ultimately rests with the student.

I. Transfer Options

- A. AA or AS Degree
- Judson strongly recommends the completion of an AA or an AS degree.
 - Lower division general education courses are considered complete, with following exceptions:
 - Mission related courses in Old Testament Biblical studies(BST101), New Testament Biblical studies (BST102), upper division literature, and CRP481 Faith and Life;
 - Specific general education courses stipulated by the major; and/or
 - Professional certification requirements.
- B. Illinois Articulation Initiative – Judson University is an IAI participating institution. The IAI core must be completed by the time the student matriculates to Judson. The IAI core does not exempt students from mission related courses listed above.
- C. Students who transfer prior to completing an AA or an AS degree or the IAI core are required to complete Judson’s general education requirements.

II. Admission Information

- A. Students with fewer than 28 semester hours of transferable credit must meet freshman standards and will be eligible for admission consideration upon submission of the following:
- A completed application for admission form
 - A non-refundable \$40 application fee
 - An official high school transcript or GED scores
 - Official ACT or SAT results
 - Official transcripts of all college level academic work (minimum 2.5 GPA)
- B. Students with at least 28 hours of transferable credit are eligible to be considered for admission upon submission of the following:
- A completed application for admission form
 - A non-refundable \$40 application fee
 - Official transcripts of all college level academic work (minimum 2.5 GPA)
- C. Judson operates on a rolling admission basis, and applications are reviewed as they become complete.
- D. Admission GPA calculation – All college-level coursework is calculated into the admission GPA. For repeat courses, the course with the highest grade is used.
- E. A maximum number of 66 semester hours of community college coursework can apply toward Judson graduation requirements. Community college coursework cannot be used to satisfy upper-level requirements.
- F. A maximum of 8 semester hours of applied music and/or theatre may be transferred.
- G. A maximum of 8 semester hours of physical education activity courses may be transferred.
- H. To be admitted in good standing, the cumulative GPA must be 2.5 or higher.
- I. Grades below C will not apply toward requirements in teacher certification programs.

The following is a suggested program for students who plan to complete the AS degree at McHenry County College and then transfer to Judson University as an education major. **Please meet with an academic advisor to plan the best transfer program that will meet your goals.**
