-
1. Where are the plant containers located and what is the quantity? **Disregard all plant containers.**
 2. Where on campus are the annual flower beds located? Planting beds and flowering **planting beds are noted on attached map. Planting beds are circled, flowering planting beds are noted with an "F".**
 3. What area of the campus is irrigated and how many zones total are there? **Irrigation system is located in the plaza area near the B building entrance. Dual zone system.**
 4. What is the process of checking irrigation? Do we pressurize the system weekly ourselves to check? Or, do we monitor while in use? **Monitor system while in use.**
 5. Are the athletic fields self-maintained or are they included in our scope of work? **The athletic fields are noted in the RFP as a separate item to bid upon. The athletic fields should be bid on a per cutting basis. Cutting schedules for each field will vary during the year due to schedules and weather.**
 6. What areas are included in our twice a week watering? **All flowering beds will need to be watered twice a week.**
