We are the bonding company for a contractor that will be bidding the Lighting System Improvement Project Bid at MCC on April 2, 2015. After reviewing the bid documents that I received from our contractor, I cannot find any requirement for a bid bond for this project. Can you please confirm that a bid bond is not required for this project. If a bid bond is required for this project, what is the percentage of the bid total. **Yes a bid bond in the form of 10% of the cost of the bid is required.**
