

## McHenry County College Historical Enrollment Report

Since opening in fall of 1968, McHenry County College has experienced consistent growth in both student headcount enrollment and credit hour enrollment.

### Student Headcount Enrollment:

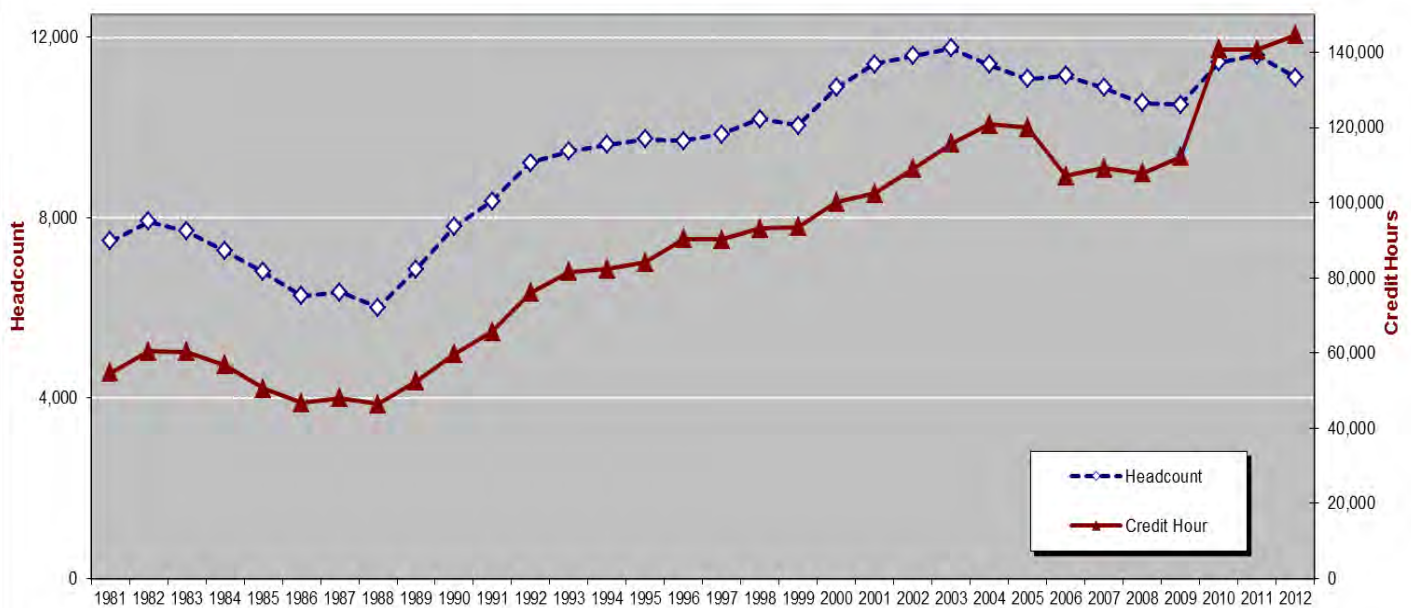

- Annual headcount enrollment has increased an average of 1.4% each year since FY1981, the oldest year for which McHenry County College has electronic annual records on file. (See Figures 1 and 2.)
- Fall headcount enrollment has increased an average of 4.7% each year since FY1969, the year the college opened. (See Figures 3 and 4.)

### Credit Hour Enrollment:

- Annual credit hour enrollment has increased an average of 3.5% each year since FY1981, the oldest year for which McHenry County College has electronic annual records on file. (See Figures 1 and 2.)
- Fall credit hour enrollment has increased an average of 4.9% since FY1971, the oldest year for which McHenry County College has credit enrollment records reported. (See Figures 3 and 4.)

\*All enrollment numbers include credit and adult education enrollments.
