Perkins FY2015

- 2008 Hyundai Santa Fe
Perkins FY2015

- Women’s Car Care Class
Did you know…?

Automotive Technology students built an alternative fuel truck that runs on propane, E-85 ethanol and gasoline for use in the Alternative Fuels class and for recruitment use in the program.
Did you know…?

Automotive instructors have *custom built* some of our cutaways and training aids in order to better explain automotive concepts to students.
