- Class met my expectations
- Instructor was prepared for class
- Learning objectives were clearly stated
- Objectives were met
- Will the class be applicable to your job?
- I would recommend this class to others

McHenry County College
Student Success

FY15

78 students enrolled / 70 students successfully completed
- 90% Successful Completion Rate

Quotes from students:
- “It was a great learning experience”.
- “Instructor was very good, class was excellent”.
- “Many of the skills I learned in this class were helpful in my new job, which I got though MCC’s Job Fair”. (T. Dominquez)

(Staircase at Rosebud Steakhouse in Chicago, IL welded by T. Dominquez)
FY16 Program Goals

- Partner with Lincoln Electric and Miller Electric on emerging technologies and educational resources
- Incorporate new innovative welding techniques
- Increase enrollments within space parameters
- Increase business partnerships within the community
