

# HOW TO LOG ON TO ANGEL

1. Go to [mchenry.angellearning.com](http://mchenry.angellearning.com) and enter the username that MCC mailed you.
2. The first time you log on to ANGEL, your password is your last name, all in lower case. For example, if your name is John Doe, then your password is doe.
3. Once you have successfully logged on, ANGEL will ask you to change your password. On the Change Password screen, click on change your password.
4. On the next screen, you'll need to enter your current password, which is your last name in lower case. Then provide a new password. You will need to confirm your new password.

Password Change Successful

Next time you logon make sure to use your new password.

OK

## HAVING TROUBLE LOGGING ON TO ANGEL?

- Students (and MCC employees who are taking classes): log on to ANGEL using the same **username** that you use to log on to myMCC, campus computers, wireless access, etc. Just the username is necessary, not the **students'** part.
- Not sure of your username? Check your username by clicking on the "What's my username or password?" link off the myMCC log on screen.
