3/23/16 DUE 3/30/16	Robert McCoppin Chicago Tribune	<p>I'm writing to please request copies of all documents relating to the termination of John G. Jacobson from McHenry County College in 2013. Specifically, I'd like to please get copies of his termination letter, a letter from President Vicky Smith detailing why he was terminated, and a campus police report related to his dismissal.</p> <p>We can consider this a request under the state Freedom of Information Act if that helps facilitate the matter. I know the college released this material to the Northwest Herald in 2013, so I'm hoping you would please share the documents today, if possible please, since this information has already been vetted, released and published.</p> <p>You may have seen reports that Jacobson, as the village president of Hebron, was arrested recently for possession of cocaine and other charges, so we are doing a story about that today, making time of the essence, and for public benefit we want to be as thorough and accurate as possible about him.</p> <p>Thank you for any help you can offer!
