What your child needs for full day MCC Tech Camp each day

Due to the nature of the camp activities (some messy!) and outdoor activities, all children should come in clothes that can get dirty and are appropriate for weather. Athletic or closed-toed shoes are required for outdoor activities each day. No flip flops or sandals please.
- Children should come to camp having already applied sunscreen. Instructors and camp counselors cannot apply these items to children during the day, but children can re-apply their own sunscreen if needed.

 1. Lunch (refrigeration not available) or money for lunch (suggested amount \$5–\$7).
 2. Water in a water bottle that can be refilled if needed.
 3. Peanut-free snack for morning break. (Afternoon snack provided by Camp)
 4. Optional: sunscreen for self-application.
 5. Optional: cell phone. Please note: Kids and College will not be responsible for any loss or damage to cell phones.

Inclement Weather Policy

During inclement weather, Kids and College staff will coordinate with the MCC Police to ensure the safety of your child. In situations of a severe storm or tornado warning, the staff will move children to the safest possible location according to MCC Police Department. If these situations occur during pick-up time, the Kids and College program will be in safety mode inside the building. Children will not be dismissed until it is safe to do so. We ask that during these situations, parents either come into the building or wait in their cars. If safely possible, there will be a designated staff member(s) near the drop-off/pick-up location to provide information during these situations.

Attendance

Please call the Kids and College office, (815) 455-8597 or email lbeaupre@mchenry.edu by 9:15 a.m. if your child will be absent.
