

Want to Save \$1,600?

Taking a Math Refresher Seminar **BEFORE** you take your math placement exam could save you over \$1,600 and a full year of your time progressing towards a degree.

Do the Math...

- Math refresher courses are **FREE!**
- It's a four-hour investment that could help you place into college-level math classes without having to spend time and money on developmental courses that are required if you score low on the placement exam.
- **Proven results!** Students who take these seminars almost always do better!

Math Refresher Seminars are at MCC. No registration necessary, just show up!

Elementary Algebra
