**Requirements for Associate in General Education (AGE) Degree**

The Associate in General Education degree allows students to choose from a wide variety of educational areas. **THIS DEGREE IS NOT DESIGNED TO TRANSFER**; however, it may transfer in whole or in part to some universities. We encourage students to work with an academic advisor to develop a transfer plan if they think they might wish to transfer your credits to a four-year school.

- The following requirements apply to students who first enrolled for Summer 2016 or after. Students who first enrolled prior to Summer 2016 should contact an academic advisor for more information.
- For additional courses that apply toward the AGE degree but are not offered through distance learning, please refer to MCC's college catalog.
- Courses listed on this planning sheet may have prerequisites. Please refer to catalog course descriptions.
- Credit hours are shown in parentheses in front of the course number.
- \* All courses are offered through online delivery with the exception of the following, which are offered through blended delivery: BIO110, BIO157, CHM115, GEL105, PHI251, PHY280, SPE151
- Courses listed on this planning sheet may have prerequisites. Please refer to catalog for course description.
