**WHAT WE DO:** Last Chance House is a sober-living facility in Crystal Lake that governs itself using the principles taught in Alcoholics Anonymous (AA). It does not accept insurance or government-funding. It is self-supporting through donations and grants from individuals, community organizations and corporations. Last Chance House may or may not meet one of the many common definitions of a halfway house, but it resembles one in many ways. For more than 12 years, Last Chance House has provided a proven recovery method and a safe, structured environment to carry it out. Last Chance House is unwavering and true to its founding belief that a strong, long-lasting program of recovery begins when one alcoholic helps another alcoholic.
