

Fall Admission

Admission points for completion of ALL General Education courses, including BIO 157, BIO 263 & BIO 264 sequence. Therefore, applicants/students are highly encouraged to complete ALL General Education courses prior to beginning the program. Students can complete the General Education courses in any sequence, given that they meet the pre-requisite requirement for the course.

Once admitted to the PTA program, students must complete ALL PTA courses in the following sequence.
