For Exhibit: Students whose work is selected and in need of framing or having other presentation issues should consult with their instructor regarding options for making their work **READY FOR HANGING** in a professional manner. Framing is optional, though encouraged, depending on the suitability of each piece. Large pieces of unframed glass are dangerous and will not be accepted. (Use acrylic for large pieces if left unframed. Work selected for the exhibit should have acrylic or glass cut to the correct size if left unframed. Unframed works should also have foam core, cardboard, etc. cut to size for the back). All paintings must be wired for hanging. Do not use staples to wire heavy paintings. **Pieces that are intended to hang on a wall need a hanging implement. Brackets on ready-made photo frames are not acceptable.**

SELECTED ENTRIES: Students will be notified by email as to the juror's selections and a list of accepted entries will also be posted throughout the art department. Students will have one week to have their pieces ready for hanging (framing, etc.). Students will be informed of the deadline for return of work in need of framing.
