

Student Guidelines For Submissions 2022 Skyway Juried Art Competition

Purpose: The purpose of the Skyway Juried Art Competition is to provide an opportunity for emerging student artists to display their work.

Eligibility: Any student enrolled in one of the Skyway conference colleges is eligible to enter. Students who have received awards in the previous Skyway (2021), are not eligible. College Skyway Art Coordinators are responsible for keeping records and verifying eligibility. Ineligible submission later identified as such will be disqualified. Students will submit work to their art instructors, who will select the pieces to represent your college in the competition (limit: 25 entries per college). Works must have been completed for class credit during the following semesters: Spring 2021, Summer 2021, Fall 2021, Spring 2022. Work must be properly cited. If the class assignment from which the student submission originates is to copy an artist's work or create a piece influenced or based on the work of another artist, appropriate citation must be provided. If the artwork is selected for the exhibition, the host college will include this information on signage identifying the artwork.

Sales: Works need not be for sale; however, sales are encouraged. All work for sale will be at the artist's valuation. Indicate for sale/not for sale on the entry form. Students will be given prospective buyer's contact information. No student contact information will be released. McHenry County College will not be directly involved in the sale of any work exhibited in the Skyway Juried Art Competition except to notify student of contact information of prospective buyer.

Student Entry Forms: Fill out form completely and attach securely as is appropriate to each submission. (Please attach to the back of 2-D or bottom of 3-D work.)

Awards: All students who have work accepted for the exhibition will receive a Certificate of Recognition. The jurors will select the following awards: Best of Show, four Awards of Excellence, and four Awards of Merit. The awards will be presented during the Skyway Juried Art Competition Reception at McHenry County College on Saturday, March 12, 2022. The reception will be from 1-3 p.m. with the Awards Presentation at 1:45 p.m.

Liability: Every effort will be made to ensure proper care and handling of the artwork while present on the McHenry County College campus. Only works accepted for exhibition will be insured while on display. Instructors should assist students in determining reasonable values for their work. Works will be insured for a maximum recoverable amount of \$200, but if no insurance value is listed a limit of \$50 will be covered. Special exceptions will be considered on a case-by-case basis. Damaged digital artwork will be re-printed at no charge to the student. McHenry County College and the Skyway Juried Art Competition will not assume responsibility for loss or damage of works while in transit.

Submissions: Each college will select up to 25 pieces in some or all of the following categories to represent the college in the competition: ceramics, drawing, design, electronic imagery, photography, printmaking, sculpture, and other media. For information about the selection process at your college, contact your art instructor.

Presentation: All 2D work must be properly framed and wired to hang—braided picture wire only! No sawtooth hangers. Stretched canvases must be wired, but do not need to be framed if the sides are presentable. 2D and 3D works should not exceed 60” in any dimension. Artwork must be able to fit through a 5’ x 6’ doorway. Weight limit is 200 pounds. Submit animated work in an MP3 or MP4 format, 720 x 480 resolution.
