ATTACHMENT B - CONTRACTOR CERTIFICATION
Illinois Revised Statute 1987
Chapter 38, Sections 33E-3 and 33E-4

The undersigned hereby certifies that it is not barred from bidding on this contract as a result of violation of either Section 33E-3 (bid rigging) or 33E-4 (bid rotating) of the Illinois Revised Statutes 1987, Chapter 38.

Under penalty of perjury, the undersigned Contractor certifies that this bid has not been arrived at collusively or otherwise in violation of Federal or Illinois antitrust laws.

Company Name ________________________________________________________________

By * _________________________________________________________________________

Address ________________________________________________________________________

City/State/ZIP __________________________________________________________________

* Must be actual signature in ink of a representative of Contractor authorized to legally commit the Contractor.

Section 33E-5(b) pertains to disclosure of information related to the terms of a bid and any bidder's responsiveness to a request for bids. Specifically, district officials or employees must not knowingly open a sealed bid at a time or place other than as specified by the district. Also, any official who knowingly discloses any information related to the terms of a sealed bid or any bidder's responsiveness to the request for bids commits a class 3 felony. This section does allow, however, that no violation occurs if any disclosure made to an interested person also is made generally available to the public. CONSEQUENTLY, COLLEGES SHOULD BE CAUTIOUS NOT TO DISCLOSE ANY INFORMATION THAT IS NOT RELEASED TO THE PUBLIC.

Section 33E-6 contains several provisions potentially impacting College purchasing procedures. SPECIFICALLY, A PERSON COMITS A CLASS 4 FELONY WHEN INFORMATION CONCERNING THE SPECIFICATIONS OF A CONTRACT IS KNOWINGLY CONVEYED TO A BIDDER OR PROSPECTIVE BIDDER OTHER THAN THROUGH THE BID INVITATION, PRE-BID CONFERENCE, OR CONTRACT SOLICITATION PROCEDURE. Thus, once a RFP for a particular contract is released, MCC cannot respond to individual inquiries from bidders. Likewise, no information may be volunteered concerning potential Subcontractors if the contract involves subcontracting work.

OSHA HAZARDOUS COMMUNICATION STANDARD

To Contractor:

The Occupational Safety & Health Administration (OSHA) Hazardous Communication Standard (29 CFR 1910.1200) states that contractors/suppliers must be informed of the hazardous chemicals their employees may be exposed to while performing their work and any appropriate protective measures. In order to comply with this requirement, McHenry County College has developed a list of all the hazardous chemicals known to be present in our facility. A Material Safety Data Sheet (MSDS/SDS) is also on file for each of these chemicals and/or hazardous substances. This information is available to you and to your employees upon request.

In order to protect the safety and health of our own employees as well as the employees of contractors/suppliers, contractor/suppliers must maintain and provide, upon request, an MSDS/SDS on any hazardous chemical(s) or material(s) which they bring to the facility. Failure to maintain an MSDS/SDS and provide this information in a timely manner will result in the removal of the contractor/supplier from the premises.

Each employer is also responsible for notifying any subcontractor they employ regarding the requirements of OSHA’s Hazard Communication Standard and other provisions described in this letter.
ATTACHMENT D - EXCEPTIONS TO BID

(PLEASE LIST BELOW, ATTACH SHEETS IF NECESSARY): Any exceptions, variations, or clarifications to the Specifications must be set forth on this form and included with the Bid Proposal Form. These exceptions must be spelled out in detail, numbered, and make reference to exact page number for easy comparison.

Failure of the bidder to note on this form any and all exceptions to any portion of the specifications, means that the bidder must meet or exceed in all respects any and all specifications not so noted.

Failure to denote exceptions in the above manner may be cause for rejection of the entire bid.

### Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I Instructions on page 5. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3. Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

### Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest and dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out Item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, Item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

### Note

If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

### Definition of a U.S. person

For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 1.7701-7).

### Special rules for partnerships

Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
THIS AGREEMENT (Agreement) is made as of ______________, 2015, by and between MCHENRY COUNTY COLLEGE, 8900 U.S. Highway 14, Crystal Lake, IL 60012 (Owner) and ___________________________ (Contractor).

Owner and Contractor desire to enter into this Agreement, pursuant to which Contractor shall provide certain products, equipment or goods and perform certain services in connection with the Project, as hereinafter provided. The parties agree as follows:

1. **Scope of Project.** Contractor shall provide the products, equipment and goods as well as perform the services for Owner in connection with the Project as specifically set forth in RFP#123456 and the Contractors bid response, both hereby incorporated by reference and made part of this contract.

The initial agreement is for three (3) years and will begin on the execution date of the contract and continue through June 30, 2018. The agreement is renewable in two year increments by mutual agreement of both parties after the end of the initial three (3) year period.

2. **Payment to Contractor.** Owner shall pay Contractor per attached Exhibit 1. Contractor shall submit an invoice to Owner upon completion of delivery and installation of the items specified. Owner shall pay the invoice within thirty (30) days of receipt.

3. **Defective Work and Guarantee.** All products, equipment and goods provided by Contractor shall be new unless otherwise specified. All work shall be of high quality and free of defect. Contractor shall promptly correct any defective items. Payment by Owner for any work otherwise determined to be defective shall not relieve Contractor of its obligation to correct. Additionally, Contractor shall warrant and guarantee all products, equipment, goods and work to be free from defect for one year following substantial completion of the work, and upon notice by the Owner shall promptly correct such defects appearing within said one year period. This is in addition to any manufacturers’ warranties.

4. **Indemnification and Insurance.** Contractor hereby agrees to indemnify and hold Owner, its board members, officers, agents, employees, administrators, and any other parties designated by Owner (hereinafter collectively called the Indemnitees) harmless from all losses, claims, liabilities, injuries, damages and expenses, including but not limited to, all attorneys’ fees, defense and court costs and expenses, that the Indemnitees may incur arising out of, or occurring in connection with, the performance, acts, omissions, or breaches by Contractor of its duties and obligations under or pursuant to this Agreement. This indemnification obligation shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor or a Subcontractor under workers’ or workmen’s compensation acts, disability benefit acts or other employee benefit acts.

The Parties agrees to indemnify and reimburse the other Party for any successful claim demand, loss, damage, or injury incurred by the other Party, including Attorney’s fees, litigation expenses and costs necessitated to recover damages caused by any breach of contract, negligent act, error or omission by the other Party and its agents, servants, or employees.

Contractor shall procure, at no expense to Owner, the insurance coverages set forth in Exhibit 2. Contractor shall adhere to all provisions of Exhibit 2.

5. **Performance and Payment Bond.** If required by law, Contractor shall procure a performance and payment bond for the full amount of the contract price. Prior to commencement of any work on the Project, Contractor shall submit insurance and bonds. Any provisions contained within the bonds creating a condition precedent for Owner, or abrogating Owner’s rights or remedies otherwise available in contract or law, are void.
6. Termination. Owner may terminate this Agreement at any time, in whole or in part, with or without cause, upon written notice to Contractor. If this Agreement is terminated for cause, the Contractor shall be liable to the Owner for any increase in project cost incurred by the Owner in completing the work. In the event this Agreement is terminated for convenience, Contractor shall be compensated for work properly rendered through the date of termination, as can be documented to the reasonable satisfaction of Owner. Owner shall have no liability to Contractor beyond the date of termination. In no event shall contractor be compensated for anticipated profit or lost opportunity.

7. Liens. Upon Owner’s request, contractor shall submit mechanics’ lien waivers in form acceptable to Owner with each statement for work rendered or request for payment. Should liens be placed on the project by any subcontractor due to Contractor’s fault or events under its control, contractor shall indemnify Owner for all costs, expenses, and attorney’s fees incurred in the resolution of such lien.

8. Materials. All materials incorporated into the work shall be new and of high quality. Contractor shall adhere to all manufacturers’ recommendations. If requested by Owner or otherwise set out in the contract documents, Contractor shall, before purchase of such material, submit to Owner for Owner’s review, and in a format acceptable to Owner, all product data and literature. All manufacturers’ warranties shall be forwarded to Owner prior to substantial completion of the work.

9. Operation and Maintenance Manuals. Upon substantial completion, but prior to final payment, the contractor shall submit operations and maintenance manuals.

10. Maintenance of Work Area. Contractor shall perform all work so as to minimize impact on Owner’s operations. Work areas shall be kept neat and orderly as the work allows. Adjoining areas shall be protected from dust and debris. Work areas shall be secured to protect against intrusion by non-employees of the Contractor. Notwithstanding completed Work, all work areas shall be returned to their pre-construction condition prior to final payment.

11. Differing Site Conditions. Should Contractor unearth or uncover any concealed condition differing materially from conditions depicted in the drawings or from conditions reasonably anticipated or inherent in the work, Contractor shall immediately stop the work and shall notify the Owner of the condition in writing. The Owner shall then issue directions. The contract time and contract price shall be equitably adjusted to reflect adjustments in time and price caused by the unforeseen condition. However, prompt written notice by the Contractor of the condition shall be a condition precedent to such adjustments.

12. Changes in Scope of Work. Owner may, without invalidating this Agreement, request changes in the scope of the work, whether taking the form of additions, deletions, or other revisions. No such work shall be performed unless and until such change is agreed in writing by Owner and Contractor. If the change in work will result in a change in contract price, the change in price shall be calculated by 1) lump sum, 2) agreed unit rates, or 3) time and material reimbursable plus mark-up. Owner shall solely select the method of pricing.

13. Successors and Assigns. Contractor shall not assign any rights under or interest in this Agreement without the prior written consent of the Owner. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

14. Controlling Law. This Agreement is to be governed by the laws of the State of Illinois. Each party has reviewed and approved this Agreement and the rule of construction that resolves ambiguities against the drafting party shall not be employed in the interpretation of this Agreement.

15. Entire Agreement; Conflict. This Agreement incorporates Owner’s bid instructions and bid request documents along with Contractor’s bid, but only to the extent that Contractor’s bid is not in conflict with other contract documents. This Agreement represents the entire agreement between Contractor and Owner and supersedes all prior negotiations or agreements, written or oral, which are not included herein. This Agreement may only be amended by written instrument executed by Owner and Contractor. In the event of a conflict between this Agreement or any exhibits hereto and a proposal from Contractor, this Agreement and its exhibits shall control, followed by Owner’s bid instructions and request documents, and finally, by Contractor’s bid.
16. **Prevailing Wage Act (Does Not Apply for this Project).** To the extent required by law, contractor shall not pay less than the prevailing wage as established pursuant to an Act Regulating The Wages of Laborers, Mechanics, and Other Workman employed under Contract for Public Workers 820 ILCS 130/1 et seq. Contractor shall submit certified payrolls and shall perform all other obligations required by said Act.

17. **Human Rights Act.** To the extent required by law, contractor shall abide by the Illinois Human Right Act, 775 ILCS 10/0.01 et seq.

18. **Drug Free Workplace.** To the extent required by law, contractor shall abide with the requirements of the Drug Free Workplace Act 30 ILCS 580.1 et seq.

19. **Sexual Harassment Policy.** Contractor represents by the signing of this Agreement that it has a written sexual harassment policy that is in accordance with 775 ILCS 5/2-105 (A)(4).

This Agreement has been executed the day and year provided above.
