

Course Fees

Course fees are fees specific to an individual course

- Supplies used during the course (example: Food in culinary program)
- Equipment needed for instruction (example: Chemistry Lab, printers for English)
- Supplies given to the student (example: Automotive uniforms)
- Fees associated with course (example: Background Check, Industry exam)

Budgeting Process

Evaluation

1. Are course fees and department budgets directly aligned?
2. Does General Fund support Department Budgets?
