The following classes are offered through remote instruction using the Zoom meeting platform (except where designated as “online” or a specific location is listed). Program staff will notify registered participants with information to access your class 24 hours before class begins. To register online visit www.mchenry.edu/careertraining or call (815) 455-8588.

**FOOD SERVICE SANITATION**

**Food Service Sanitation**
This course for food service workers and managers is required by the Illinois Department of Public Health. A national ANSI approved exam will be administered at the end of the course. Students that pass the exam will receive a national certificate recognized by the IDPH that is valid for five years. If you do not pass the exam, you will need to enroll in the re-test class at a fee of $35. The book is available in the MCC Bookstore. Please note: The Bookstore is not open Saturday, and the book must be purchased ahead of time.

Fee: $175

**PROFESSIONAL HEALTHCARE**

**Healthcare Provider CPR**
This course meets the requirements for recognition as a Basic Life Support Rescuer for health care providers by the American Heart Association (AHA). It’s intended for those entering or those currently working in all health care settings. After successful completion of the course, you will have asynchronous work in addition to the live class on Mondays. Students will be expected to complete assignments, view recorded lecture, participate in discussion boards, and take quizzes online outside of scheduled class lecture time. After successful completion of the course, you will be required to complete a two week 40 hour externship prior to taking your Certified Clinical Medical Assistant (CCMA) exam through National Healthcareers (NHA).

Fee: $75

**Medical Assistant Capstone**
In this course you’ll review and assemble the knowledge and skills gained through the prerequisite courses (Certified Nursing Assistant, Electrocardiogram Technician, and Phlebotomy Technician) and train for working under the supervision of a Practice/Operations Manager or their designee to provide the following duties: scheduling appointments, patient intake and care, routine diagnostic and recording procedures, maintaining medical records, preparing patients for examination, drawing blood, medicine administration, first aid, recording vital signs and medical histories. Coursework will include basic anatomy and physiology; medical terminology; medical law and ethics; patient psychology and communications; medical office procedures; and clinical diagnostic, examination, testing, and treatment procedures. This course prepares you to take the National Healthcareers (NHA) Certified Clinical Medical Assistant (CCMA) certification exam. The cost of this exam is included in your course fee. In this class you will have asynchronous work in addition to the live class on Mondays. Students will be expected to complete assignments, view recorded lecture, participate in discussion boards, and take quizzes online outside of scheduled class lecture time. After successful completion of the course, you will be required to complete a two week 40 hour externship prior to taking your Certified Clinical Medical Assistant (CCMA) exam through National Healthcareers (NHA).

Freight Broker Training
Become part of the exciting trucking, freight logistics, and transportation industries as a licensed freight broker or as a freight broker agent. Freight broker training will help you learn the skills you need to be a successful Freight Broker/Agent. From licensing and operations to sales and marketing, you’ll learn the basics of how to run a domestic freight brokerage or agency in the United States. Freight brokerage is a growing, service-based industry. As a freight agent or broker, you connect shippers and manufacturers with transportation companies and manage those shipments. Entrepreneur magazine has rated the freight brokerage business as one of the top home-based businesses to own, and a Wall Street Journal article cited freight brokering and logistics as the largest growing sector of the transportation industry. Written by freight brokerage specialists, this freight broker course will provide you with the knowledge and resources needed to break into the shipping industry. From transportation law, contracts, and insurance, to setting up and running your own business, this is the best online freight broker training available.
