## DANA GLINIECKI, MCC DISTINGUISHED ALUMNUS

MCC's 2023 Distinguished Alumnus of the Year, Dana Gliniecki, has always had a passion for education and literacy. From her involvement chairing Scholastic Book Fairs when her sons were younger, to volunteering for several nonprofit organizations focused on educational access, Dana believes in the power that education can have to improve a community, and the responsibility that individuals have to support that mission.

Dana values a community college education because that is what allowed her to go back to school as an adult learner. She attended McHenry County College from 2008-2010, and soon after, continued with her studies at Roosevelt University to earn her bachelor's degree. The combination of these experiences encouraged Dana to stay engaged with her community.

After a chance meeting at MCC several years ago, Dana re-connected with the College and has since been actively engaged in various philanthropic efforts, including the Scot Success Scholarship Challenge, Education to Empowerment, and the University Center at MCC.

Dana and her husband, Greg, share in the desire to give back to their community. They are supporters of the Community Foundation for McHenry County and helped to create The Philanthropy Center at the Foundation, which serves as a hub for charitable collaboration in the county. In fact, Dana led the design and layout for the Philanthropy Center. Additionally, through the Community Foundation, they have supported significant efforts in their hometown, the Village of Cary, including efforts with the Cary Fire Department and the village's comprehensive five-year plan. They have also been supporters of Bernie's Book Bank and helped to bring this program to McHenry County. Dana actively volunteers for the organization, and because of the Gliniecki's, Bernie's Book Bank expanded its reach to McHenry County youth by placing over 170,000 books in the hands of over 14,000 McHenry County children in its first year.

She is also actively involved in Sarasota's chapter of Impact 100—a national organization of women supporting women by funding transformational grants to local nonprofits in the areas of: Arts, Culture & History; Education; Environment & Recreation; Family; and Health & Wellness.

The Gliniecki's were recognized as the 2022 Philanthropists of the Year by the Community Foundation for McHenry County and honored at the 2022 MCEDC Annual Dinner.

Dana is extremely grateful for the opportunities that MCC provided to her and credits her educational experiences to her lifelong pursuit of community engagement and connection.

# HONORS AND DESIGNATIONS

## **Graduation Honors**

Students who complete all degree requirements with a cumulative Grade Point Average of 3.50–3.74 wear a white honor cord; those with a Grade Point Average of 3.75 and above wear a gold honor cord. There may be adjustment of honors designations after final audit.

## **Phi Theta Kappa**

Established in 1918, Phi Theta Kappa recognizes academic achievement in American two-year colleges. In order to graduate with this distinction, students have achieved Honors and have been members of MCC's Chi Upsilon Chapter. Phi Theta Kappa members wear the gold honor stole displaying the Greek letters, ΦΘΚ.

## **National Technical Honor Society**

The National Technical Honor Society has been honoring career and technical education students for over 30 years. Students graduating with the NTHS distinction have achieved a 3.0 or higher GPA. All NTHS students maintain the highest standard of personal and professional conduct and strive for excellence in all aspects of education and employment. NTHS members wear a purple stole with the NTHS logo.

## **Americana Cord**

Students who have served in the military wear a red, white and blue cord in recognition for their service to our country and community.

## **Challenge Coin**

Since the First World War, challenge coins have been given to service members by their leadership in every military branch. These coins are given to honor service members for their hard work and excellence.

## **Silver Cord Award**

Students who complete at least 100 hours of community service/volunteerism while attending MCC are recognized for this distinction by wearing the silver cord.

## **Academic Regalia**

The colors of the lining of the hoods worn by faculty and administrators are the school colors of the institution granting their degrees. The color of the velvet edging on the hood, carried forward around the throat, indicates the faculty or major department.
