Empire Photography has been photographing our commencement ceremonies for many years. Each graduate is photographed as they receive their diploma and a solo portrait is also taken after they exit the stage. Proofs will be sent to graduates within 48 hours of the ceremony. If you have any questions, please email Empire Photography at customerservice@empirephotos.com.

Thank you to all faculty, staff and administrators for helping to make this Commencement ceremony a success.

MCHENRY COUNTY COLLEGE MISSION

*Our focus is learning.
 Student success is our goal.*

** High Honors * Honors Φ Phi Theta Kappa

National Technical Honor Society M Military Personnel V Silver Cord Award

HONORS AND DESIGNATIONS

Graduation Honors

Students who complete all degree requirements with a cumulative Grade Point Average of 3.50–3.74 wear a white honor cord; those with a Grade Point Average of 3.75 and above wear a gold honor cord. There may be adjustment of honors designations after final audit.

Phi Theta Kappa

Established in 1918, Phi Theta Kappa recognizes academic achievement in American two-year colleges. In order to graduate with this distinction, students have achieved Honors and have been members of MCC's Chi Upsilon Chapter. Phi Theta Kappa members wear the gold honor stole displaying the Greek letters, ΦΘΚ.

National Technical Honor Society

The National Technical Honor Society has been honoring career and technical education students for over 30 years. Students graduating with the NTHS distinction have achieved a 3.0 or higher GPA. All NTHS students maintain the highest standard of personal and professional conduct and strive for excellence in all aspects of education and employment. NTHS members wear a purple stole with the NTHS logo.

Americana Cord

Students who have served in the military wear a red, white and blue cord in recognition for their service to our country and community.

Challenge Coin

Since the First World War, challenge coins have been given to service members by their leadership in every military branch. These coins are given to honor service members for their hard work and excellence.

Silver Cord Award

Students who complete at least 100 hours of community service/volunteerism while attending MCC are recognized for this distinction by wearing the silver cord.
