

January 28, 2020

To all,

It is that time of year to begin preparation for the 2020-2021 Paramedic class. This course requires a significant amount of dedication, commitment and time. Please consider this when evaluating and exploring your professional career options. Candidates are required to have at least 6 months of patient contact experience.

Paramedic orientation will be held at **MCC on Friday April 24 at 5pm, classroom E202, and Saturday April 25 at 9am, classroom E202.** This orientation will provide candidates with the details and requirements of the program, as well as tips for successful completion. Attending one orientation is strongly encouraged, however; not mandatory.

Candidates must successfully pass an entrance exam, followed by skills testing and an oral interview. The dates are as follows:

- **Written exam- Monday May 4, 5pm at MCC, classroom E203**
- **Skills testing- Thursday May 21, 12p-4pm at MCC, classroom E202**
- Oral interviews will begin in June at MCC

Should you have any questions, please contact me or the EMS office at 815-759-8040.

Respectfully,

Brandy Weirich, RN
