Any such agreement shall not constitute a precedent in the future enforcement of any of the terms contained herein.
ARTICLE VI

RESPONSIBILITIES AND RIGHTS

Section 6.1  Academic Freedom

Institutions of higher education are conducted for the common good and not to further the interest of either the individual adjunct faculty member or the particular institution. The common good depends upon the free search for truth and its free exposition. Academic freedom is essential to these purposes and is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights.

A. Adjunct faculty members are entitled to academic freedom in the classroom in discussing their subject, but they are responsible not to introduce into their teaching controversial matter which has no relation to their subject and to present controversial material in a fair and reasonable manner.

B. Course content and instructional material must be consistent with purpose and objectives of the course as adopted by the College through its collaborative process and approved by the Illinois Community College Board (ICCB). Adjunct faculty members have the latitude to determine appropriate methods for teaching course content. However, the methods utilized to teach course content should be appropriate for the subject matter being taught and subject to applicable College policies and procedures. The College shall observe due process in investigating any allegations of abuse of academic freedom by adjunct faculty members. [See Section 11.2]

C. Adjunct faculty members are citizens, members of a learned profession, and members of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. They should remember that the public may judge their profession and their institution by their communication. Hence, adjunct faculty members should at all times endeavor to be accurate, to exercise appropriate restraint, and to show respect for the opinions of others; and should make every reasonable effort to indicate that they are not speaking for the institution. An adjunct faculty member who, when speaking or writing as a citizen, has not expressly claimed or acknowledged any connection with the College shall be considered to have made such a “reasonable effort.”

D. Adjunct faculty members are entitled to academic freedom in research and in the publication of results, subject to the adequate performance of their other academic duties. [See Section 6.10 regarding research and publication for monetary return.]
Section 6.2 Good Faith

A. “Good Faith” is defined as the mutual responsibility of the Board and the Association to meet at a reasonable time, to deal with each other openly and fairly, and sincerely to endeavor to reach agreement with respect to all items as identified in the agreed upon substantive portion of this document.

B. The Association subscribes to a code of ethics and agrees to assist the Board and the administration on matters pertaining to professional conduct when requested.

C. Both parties agree that the provisions of this Agreement shall not be applied in a manner that is arbitrary, capricious, or discriminatory.

D. Both parties agree that it is their mutual responsibility to confer upon their respective representatives the necessary power and authority to make proposals, consider proposals, make counter-proposals in the course of negotiations, and to reach tentative agreements which shall be presented respectively to the Board and Association for ratification.

Section 6.3 Dues Check-off

Upon receipt of a properly executed dues deduction form by an adjunct faculty member, delivered via hard copy or electronic format by the adjunct faculty or the Association, the Payroll Office shall regularly deduct the appropriate monies from such employee's paycheck in conformity with the Payroll Office's regular and ordinary payroll procedures. The specific amount of the dues deduction shall be communicated to the College's Chief Financial Officer, or their designee, via email by the Association's Treasurer by as close as practical to September 1st for the current academic year. The Association shall hold the Board harmless for all such deductions completed pursuant to the dues authorization form. Such authorization shall remain in effect until modified or withdrawn by an adjunct faculty member.

Section 6.4 Fair Share

If Fair Share salary withholding is ever held to be constitutional and lawful, the parties will meet to negotiate the effect of such a ruling.

Section 6.5 Distribution of Contract

Within thirty (30) working days following ratification and execution of this Agreement by both parties, or as soon thereafter as practicable, the Board will provide an electronic copy of the Agreement to the Association President and will also post a copy of the Agreement on the College’s website.
Section 6.6  College Services and Facilities

A. In accordance with applicable Board policy, the Association shall have reasonable use of College office services, to include duplicating, printing, and electronic communication privileges for the conduct of Association business. The Association agrees to pay the standard rates for the duplicating and printing services and supplies used. Use of such services and facilities shall be scheduled and prioritized by the appropriate administrative officers.

B. The Board agrees that space for a bulletin board, to be purchased by the Association, shall be provided for the exclusive use of the Association for posting notices of activities and other matters of Association concern, provided such posting shall not include any item attacking the character, integrity, or ability of any member of the Board of Trustees or any of its agents or employees.

C. The Board agrees to provide the Association reasonable access to conference space for the conduct of normal Association business. The Board shall allow the Adjunct Faculty Association President ordinary use of non-dedicated office space and equipment for the conduct of Association business.

D. The rights granted to the Association under this Section 6.6 shall not be provided to any other labor organization competing with the Adjunct Faculty Association.

Section 6.7  Policies and Faculty Resource Guide

A. **Board Policy** – The Board will post the Board Policies on the College’s website.

B. **Faculty Resource Guide** – The Board will post a copy of the Faculty Resource Guide on the College’s intranet.

Section 6.8  Board Agenda

The Association may request to be placed on the agenda of a regular Board meeting in accordance with the Board’s Policy Manual and procedures contained therein.

Section 6.9  Personnel File

A. There shall be only one (1) official personnel file, but nothing herein shall preclude retention of duplicate information in other files.

B. An adjunct faculty member shall have the right, upon request, to review the contents of her/his own personnel file during normal business hours. A representative(s) of the Association may be requested to accompany the adjunct faculty member to such review. Confidential credentials (and related personal references) normally obtained prior to the time of employment are specifically exempted from such review and shall be removed prior to the review of the personnel file.
C. Any material that is added to the personnel file shall be done so in a timely manner. An adjunct faculty member shall have the right, upon request, to be given a copy of material added to the file within five (5) business days from the date of the request.

D. An adjunct faculty member shall have the right to place a response to any material placed in the personnel file, and that response shall be made part of said file if submitted within thirty (30) business days of receipt of notification.

E. After six (6) consecutive semesters, an adjunct faculty member may request from the Office of Human Resources, to have any progressive discipline removed from the personnel file if no other related infractions have occurred since the initial progressive discipline was received.

**Section 6.10 Patent and Copyrights**

Adjunct faculty members, as members of academia, may engage in research and other activities that may result in the creation of devices, books, programs, or other works in which the adjunct faculty member may obtain intellectual property rights leading to a market and profit to be obtained, as long as such does not interfere with his/her assigned duties. Use of the College equipment, materials and resources for this purpose must be approved in advance by the Chief Academic Officer.

If an adjunct faculty member creates an original work using his/her own resources, the College shall not be entitled to any royalties or proceeds from the work.

A "work-for-hire" is a work commissioned by the College for its use through a special project with an adjunct faculty member. Commissioned work might include, but is not limited to, instructional text and computer programs. The College will be the sole owner of the work, and the work will not be available for use without the College's prior express written permission.

**Section 6.11 Non-Discrimination**

Neither the Board nor the Union shall discriminate against any employee as per Board Policy. The Union agrees that the Board may take any action necessary to comply with the Americans with Disabilities Act.

McHenry County College declares and reaffirms a policy of equal opportunity and non-discrimination. The College will make all decisions regarding: admission, employment, participation in educational programs, or activities, without discrimination on grounds of race, color, creed or religion, sex, national origin, age, physical or mental disabilities, sexual orientation, veteran status, or other factors. MCC is committed to diversity and inclusion in its college community.
Section 6.12 Communication Committee

6.12.1 Frequency of Meetings

On the request of the MCC Adjunct Faculty Association or the College, the Communication Committee shall meet at least once per academic semester to discuss non-negotiable matters of mutual concern. By mutual agreement, the Communication Committee may meet more frequently.

6.12.2 Meeting Participants

The Association President (or the President's designee) may invite up to two additional faculty members from the bargaining unit to these meetings. The Chief Academic Officer (CAO) or CAO’s designee may invite up to two additional representatives to these meetings. By mutual agreement, the number of participants can be increased.

6.12.3 Agenda and Minutes

The party requesting the meeting must submit a written agenda it wishes to discuss at least five (5) weekdays prior to the date of the meeting; this requirement may be waived with the consent of the Association's President and the CAO or their designee. Within ten (10) weekdays of each meeting, a record shall be prepared by the requesting party and distributed to each participant.

6.12.4 Purpose

The Association and the College meet to share information and discuss issues of mutual interest at Communication Committee meetings. Communication Committee meetings shall not be used to discuss any matter that is being processed pursuant to the grievance procedure outlined in this Agreement or to negotiate changes or additions to this Agreement. The parties agree that all participants in meetings of the Communication Committee must maintain an appropriate collegial demeanor and respect for the opinions and views of others. Therefore, the focus should be on issues and questions suitable for discussion at such meetings, and not on individuals. In addition, all participants should be aware that understanding an issue or problem does not equate to agreement on an issue or problem.
ARTICLE VII

NEGOTIATION PROCEDURES

Section 7.1 Selection and Composition of Negotiating Teams

The Board and the Association shall each select representatives to act on their behalf in negotiations.

Section 7.2 Commencement of Negotiations

The parties agree to commence negotiations for a successor agreement no earlier than two (2) weeks before September 1st and no later than two (2) weeks after September 1st during the last academic year of the Agreement.

Section 7.3 Agreement and Ratification

When the Association and Board representatives reach tentative agreement on all matters being negotiated, the items will be reduced to writing and shall be submitted to the membership of the Association for ratification and to the Board for official approval at the next regularly scheduled meeting of the Board of Trustees for which the agenda deadline has not passed.
ARTICLE VIII

GRIEVANCE PROCEDURE

Section 8.1 Definitions

A. Any written claim by an adjunct faculty member, or members, of the Association that there has been a violation, misapplication, or misinterpretation of the provisions of this Agreement shall be a grievance.

B. Time limits during the academic year shall be Mondays through Fridays (working days) except holidays, designated in the Academic Calendar, and other officially declared school closings. In cases which occur/extend outside the regular academic year or the Summer session, time limits for grievance purposes shall be suspended until the first full regular instructional day of the next academic semester or Summer session. Time limits during Summer sessions shall be Mondays through Fridays unless a four (4) day week is officially adopted by the College. If a four (4) day week is adopted, the time limits shall be Mondays through Thursdays during the Summer.

Section 8.2 Right to Association Representation

A. Association representatives (one of whom may be a non-faculty member) shall have the right to be present at any meeting, hearing, appeal, or other proceeding relating to a grievance that has been formally presented. Nothing contained herein shall be construed as limiting the right of an adjunct faculty member having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

B. The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance commencing at Section 8.4A (Step One). However, any individual employee or a group of employees may at any time present grievances to their employer and have them adjusted without the intervention of the bargaining representative as long as the adjustment is not inconsistent with the terms of the collective bargaining agreement, provided that the bargaining representative has been given an opportunity to be present at such adjustment. (115 ILCS 5/3(b)) Individual adjustments will be memorialized in writing and will be signed by the appropriate representative of the Board and adjunct(s). A copy of the resolution will be provided to the Association.

Section 8.3 Pre-Grievance Procedure (Informal Resolution)

The parties hereto acknowledge that it is usually most desirable for adjunct faculty members and the appropriate administrator to resolve problems through free and informal communications. When requested by the adjunct faculty member(s), an Association representative may accompany the adjunct faculty member(s) to assist in the informal resolution of the grievance. If, however, such informal processes fail to satisfy the adjunct faculty member(s) or the Association, a grievance shall be processed as follows:
Section 8.4  Formal Grievance Procedure

A. **Step One** - If a complaint is not resolved through an informal resolution procedure, the grievant or the Association may present a formal grievance in writing stating specifically what section(s) of the contract has been violated to the appropriate, immediately involved administrator who will arrange for a meeting to take place within ten (10) working days after receipt of the grievance. Such written grievance shall be submitted not later than fifteen (15) working days after the occurrence of the events giving rise to the grievance or fifteen (15) working days from the date by which the affected faculty member(s) and/or the Association knew or should have known of such occurrence. The Association representative, the grievant and the immediately involved administrator or designee shall be present at the meeting. The immediately involved administrator or designee shall provide the grievant and the Association with a written answer with reason(s) to the grievance within ten (10) working days after the meeting.

B. **Step Two** - If the grievance is not resolved at Step One, then the grievant or the Association shall refer the grievance to the Chief Academic Officer or her/his official designee within seven (7) working days after the receipt of the Step One answer or within seven (7) working days after the Step One meeting, whichever is later. The Chief Academic Officer or designee shall arrange for a meeting with the grievant and the representative(s) of the Association’s grievance committee to take place within ten (10) working days of her/his receipt of the Step Two filing. A written response, including reason(s) shall be provided to the grievant within ten (10) working days after the meeting.

If the grievance arises from a decision by the Chief Academic Officer, the grievance may be initiated at Step Two, provided such is filed no later than the time limits prescribed in Step One.

C. **Step Three-Arbitration** - If the Association is not satisfied with the decision at Step Two, the Association may refer the grievance to arbitration within twenty (20) working days after the decision is provided at Step Two.

1. The parties shall attempt to agree upon an arbitrator within seven (7) working days after receipt of the notice of referral. In the event the parties are unable to agree upon an arbitrator within said seven (7) working day period, the parties shall immediately jointly request the Federal Mediation Conciliatory Services (FMCS) to submit a panel(s) of arbitrators, and to otherwise administer the arbitration proceedings under the American Arbitration Association (AAA) rules.

2. More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing. In the event of multiple grievances submitted to arbitration either party may request that the arbitrator consolidate the grievances for arbitration if the grievances are related and consolidation does not prejudice either party.

3. The fees and expenses of the arbitrator and the cost of a written transcript (if a transcript is jointly requested) shall be shared equally by the parties involved in
the arbitration. Each party shall be responsible for compensating its own representatives or witnesses.

Section 8.5  Grievances Arising from a Decision Made by the College President or Board of Trustees

In the event the grievance concerns a decision made or action taken by either the President or the Board of Trustees, the parties may mutually agree to a modified grievance proceeding whereby the grievance is moved to Step Two and Step Two is modified by having the grievance referred to the President of the College. In such event, the same timelines for appeal and the issuance of the College’s grievance response shall be retained.

Section 8.6  Limitations on Authority of Arbitrator

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator’s ruling in any grievance shall not violate the relevant decisions of federal and state courts, the appropriate decisions of federal and state regulatory agencies, and applicable federal and state laws. The arbitrator shall have no authority to make a recommendation on any issue not so submitted or raised. The arbitrator's award shall be final and binding. However, neither party waives its right to administrative and/or judicial review of any arbitration ruling or award which, it feels has violated the limitations of this Article VIII.

Section 8.7  No Reprisals

A. No reprisals of any kind shall be taken by the Board, its designee (agent), or the bargaining unit member Association against any individual because of his/her participation in this grievance procedure.

B. All records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

Section 8.8  Scheduling of Grievance Meetings

Should the investigation or processing of any grievance require that an adjunct faculty member or an Association representative be released from her/his regular assignment, she/he shall be released without loss of pay or benefits, provided that every reasonable attempt has been made by the parties involved to schedule grievance-related meetings during times which do not conflict with her/his regular assignment.

Section 8.9  Cooperation and Withdrawal Without Establishing Precedent

A. The College and the Association shall cooperate in the investigation of any grievance, and further, all parties shall be furnished with such information requested for the fair and proper processing of any grievance.

B. A grievance may be withdrawn at any level without establishing precedent.
ARTICLE IX

WORKLOAD/CLASS ASSIGNMENT

Section 9.1   Workload

Adjunct faculty members may work up to the maximum number of hours per week allowed by law for part-time employees. The College will determine the workload (number of contact hours) of individual adjunct faculty members and notify the adjunct faculty member via a written Notification of Assignment, following Section 10.1 Seniority.

Adjunct faculty members will receive a written Notification of Assignment, by Faculty Development Day, prior to the start of the semester.

If the payroll department did not receive notification of assignment in time for the next pay date due to a College error, adjunct faculty member(s) will be issued a manual payroll check in the form designated by their payroll setup within one (1) business day (excludes holidays) after the pay date once the payroll department is in receipt of a signed and processed notification of assignment.

Section 9.2   Preference Request/Contingent Assignment

A.  Contingent Assignment – Preference Request

The College will request that adjunct faculty members submit a written contingent assignment preference to identify the days and times the adjunct faculty member is available and/or would prefer to teach prior to publishing the course schedule for the subsequent term. The College will attempt to honor such requests when practicable. Adjuncts may be offered courses outside of their preference request unless the adjunct request includes specific limitations.

B.  Contingent Assignments

In attempting to honor contingent assignment requests made in accordance with Section 9.2(A), the College will give preference based on seniority status (as defined in Section 10.1 - Seniority) to adjunct faculty members in the bargaining unit over adjunct faculty members who are not in the bargaining unit. Nothing in this Article shall limit the College’s ability to determine and set class schedules.

C.  Contingent Assignment – Seniority Criteria

Contingent Assignments, based on availability, and the permissible adjunct faculty load will be made as follows, as defined in Section 10.1 - Seniority:

1.  Seniority Level I, II, and III Adjunct Faculty will be offered one (1) course.
2.  Level IV Adjunct Faculty will be offered a second course.
3.  Level IV Adjunct Faculty will be offered a third course.
4.  Level III Adjunct Faculty will be offered a second course.
5. Level III Adjunct Faculty will be offered a third course.
6. Level II Adjunct Faculty will be offered a second course.
7. Level I Adjunct Faculty will be offered a second course.
8. Further classes will be offered at the discretion of the Dean, including non-unit and unit adjunct faculty members.
9. Deans will make their best effort to meet the requests of unit adjunct faculty.
10. In rare instances, upon agreement between the Association and the Board, pedagogical or operational needs will supersede class preference/class assignments and this section will not apply.

D. **Contingent Assignments – Withdrawal of Contingent Assignment**

If a contingent assignment is withdrawn, the College will make their best attempt to remove contingent assignments from non-unit members first, then Seniority Level I, then Level II, then Level III, and then Level IV, as long as all Seniority Levels retain one (1) course. Once the adjunct faculty member has received the Notification of Assignment, the adjunct faculty member will not be bumped to fill a full-time faculty member’s overload.

E. **Contingent Assignments – Replacement of Contingent Assignment (Bumping)**

If a contingent assignment is withdrawn, the College will make every attempt to replace the maximum contingent assignments as described in 9.2C. Seniority will be considered when reassigning courses. The immediate supervisor will make multiple attempts to contact the adjunct faculty member. Adjunct faculty will have two (2) working days to respond to the new offer. In the rare case where a contingent assignment must be made within 96 hours of the start of the class, the two (2) working day response will not apply.

Section 9.3   Office Hours and Space

A. Adjunct faculty members shall make themselves available for student conferences either before or after class, and by College email or special appointment as necessary. They shall inform students of when they are routinely available and how best to contact them on their course syllabi.

B. The College will provide shared office space designated for use by adjunct faculty members to the extent that such space is available. Adjunct faculty members should work through their immediate administrative supervisor to make such office space arrangements and to ensure needed office equipment and software are available for their use on campus.

C. The College recognizes the importance of informal employee gatherings and shall continue to facilitate them. Annually, adjunct faculty members must be compensated for attending a meeting of all adjunct faculty. This gathering will not exceed two (2) consecutive hours. The compensation for attending the meeting of all adjunct faculty will be $50.00.
Section 9.4 Double Sections

A. In scheduling students, the College will strive to maintain a “normal class size.” For purposes of this agreement, “normal class size” is defined in a list mutually agreed upon by the Adjunct Association and the College. The list is maintained in the Chief Academic Officer’s office.

B. Where the College designates a class to have the capacity of two (2) times the normal class size, the College will provide additional compensation to adjuncts assigned to the class in accordance with the following terms:

1. If first day enrollment in a class (which has been designated by the College to have twice the normal capacity) is twelve (12) students or more in excess of the normal class size, the adjunct will receive $1,150.00 additional compensation, provided the adjunct teaches through the end of the semester.

2. If first day enrollment in a class (which has been designated by the College to have twice the normal capacity) is one to eleven (1 to 11) students in excess of the normal class size, the adjunct will be compensated at a rate of $87.00 per additional student beyond the normal class size up to eleven (11) students, provided the adjunct teaches through the end of the semester.

3. Adjunct members eligible for additional compensation under this paragraph shall not receive any additional compensation for any additional students beyond what is prescribed in this paragraph. Adjuncts will be limited to teaching only one (1) class per semester which class size is set at twice the normal capacity.

C. Because Section 9.1 of the current Adjunct Agreement addresses maximum workload, additional compensation provided under this Agreement will not contribute to workload, and will be paid during the semester in which the large class is taught.

D. This Agreement will be administered consistent with Section 9.2 of the current Adjunct Agreement concerning class assignment preferences.

Section 9.5 Shared Governance

Adjunct faculty members will have representation within the shared governance model of the College. Annually, the College and the Association will mutually agree to representation and compensation, if any, through a Special Notification of Assignment.
ARTICLE X

SENIORITY

Section 10.1 Seniority

A. Seniority shall mean the length of employment as determined by the number of semesters taught with a minimum annual evaluation rating of satisfactory as an adjunct faculty of the College. Summer teaching will contribute to the total number of semesters taught. Seniority will be used to determine contingent class assignments for courses that an adjunct faculty member is qualified to teach.

B. Seniority Status – Levels Seniority status will be determined following the five (5) categories outlined below: The Board grants Seniority Status to adjunct faculty unit and (union) members who have fulfilled the following requirements:

Non-Seniority – Unit faculty who have no seniority status.

1. Seniority Status Level I Adjunct Faculty - Bargaining Unit Members advance to Seniority Level I after completing their third (3rd) semester teaching at least three (3) contact hours per semester for the college with satisfactory or better annual evaluations.

2. Seniority Status Level II Adjunct Faculty - Bargaining Unit Members advance to Seniority Level II after completing their eighth (8th) semester teaching at least three (3) contact hours per semester for the college with satisfactory or better annual evaluations.

3. Seniority Status Level III Adjunct Faculty - Bargaining Unit Members advance to Seniority Level III after completing their sixteenth (16th) semester teaching at least three (3) contact hours per semester for the college with satisfactory or better annual evaluations.

4. Seniority Status Level IV Adjunct Faculty - Bargaining Unit Members advance to Seniority Level IV after completing their thirty-second (32nd) semester teaching at least three (3) contact hours per semester for the college with satisfactory or better annual evaluations.

5. Seniority status begins the Fall semester following completion of the teaching and annual evaluation requirements.

6. An adjunct faculty who falls below satisfactory on two (2) or more evaluations will lose their Level II, Level III, or Level IV status. In the event of a poor observation that may affect the satisfactory rating on the overall evaluation for a Level II, Level III, or Level IV status, the adjunct faculty may request a second observation. The request must be made in writing no later than five (5) working days from the date the observation report was received by the adjunct faculty and the request must be made to the adjunct faculty’s immediate supervisor.
ARTICLE XI

EVALUATION AND DISCIPLINE

Section 11.1 Evaluation and Observation System

A. Evaluation

Adjunct faculty unit members will be formally evaluated annually according to posted procedures, including a follow-up interview if requested by the adjunct faculty or immediate supervisor. This evaluation tool will be provided to the adjuncts in the faculty handbook as a reference. Adjunct faculty are expected to demonstrate and/or exhibit and model:

- Follow College policies and procedures found in the Board Policy Manual and Faculty Handbook, as well as written communication from College Administration.
- Use appropriate, departmentally agreed upon materials required for course, including, but not limited to textbook(s), lab manual(s), and/or software.
- Exhibit professional interactions with MCC employees and students.

B. Observations

Adjunct faculty unit members will be formally observed, including a follow-up interview, at least once every three (3) years in online and/or classroom methods of instruction as applicable. The College reserves the right to observe an adjunct faculty unit member at any time. Adjuncts will be notified prior to the observation. Adjuncts may request a formal observation at any time. The observer’s comments and/or suggestions will be provided to the adjunct by email after each visit, and further dialog with the observer will be encouraged.

C. Evaluation and Observation Follow-Up

If necessary, an individualized professional development plan will be implemented to address any concerns within the evaluation or observation. The parties agree that as a part of this evaluation and observation system, the adjunct faculty member shall have the right to rebut in writing applicable evaluation or observation reports regardless of whether such evaluation or observations reports are made a part of the adjunct faculty member’s personnel file.

Section 11.2 Due Process and Discipline of Adjunct Faculty Members

A. The College must investigate in an attempt to determine if there is information or material that clarifies matters related to the alleged conduct that could result in progressive discipline. This process may include but is not limited to interviewing the complainant, the adjunct faculty member against whom the allegation is made, any pertinent witnesses, and reviewing any relevant documentation.

B. Before any due process investigatory interview meeting, the College shall inform the adjunct faculty member in writing of the nature of the matter or complaint in sufficient detail to reasonably apprise him/her of the matter, unless such notice would endanger the investigation.
C. Minimum information to be included in the notice shall be: Notification of the adjunct faculty member’s right of representation; a description of the alleged violation(s) or action(s); the standard(s) allegedly violated; the date, time, and location for the investigatory interview meeting; and College representative(s) to be present at the meeting.

D. The College will notify the adjunct faculty member of the meeting no less than 48 hours in advance. At the discretion of the College, the College may bypass the 48 hour notification timeline in the event of an egregious offense, as outlined in Section 11.2.F. An adjunct faculty member may request to have an Association representative present at a disciplinary meeting or an investigatory meeting which the adjunct faculty member reasonably believes could lead to discipline. The adjunct faculty member shall be provided with an opportunity to reschedule if needed to accommodate for a representative to be present.

E. The College will follow due process including an investigatory meeting with the adjunct faculty member before rendering a disciplinary decision.

F. Progressive discipline principles will be followed in addressing misconduct, including use of oral reprimand, written reprimand, suspension and termination. At the discretion of the College, the College may bypass any or all progressive discipline levels in the event of an egregious offense (such as an act that could lead to criminal charges or endangers self or others). This provision is not intended to be a waiver of any statutory rights.
ARTICLE XII

COMPENSATION

Section 12.1 Salary

The index matrix of the adjunct faculty salary schedule, together with implementing language thereof, is included as Appendix A of this Agreement.

Section 12.2 Substitute Pay

1. An adjunct faculty member who substitute teaches shall be compensated as identified in Appendix A, Section III.

2. Any adjunct who substitute teaches more than one-quarter (1/4) of a double section course shall receive a proportional amount of the Double Sections (Section 9.4) compensation due that adjunct for teaching the double section course, and payable at the end of the course.

Section 12.3 Independent Study and Individualized Classes

An adjunct faculty member shall be eligible for an independent study assignment or individualized classes at the discretion of their immediate administrative supervisor. For both independent study and individualized classes, compensation shall be at the rate of one-twelfth (1/12) of the adjunct faculty member’s course rate (rate per contact hour times the number of contact hours in that course) times the number of students enrolled in the independent study or individualized class on the tenth business day after the start of the course and adjusted at the mid-term of the semester to account for enrollment changes.

Applied lessons compensation shall be at the rate per student defined in Appendix A. Applied lessons compensation shall be calculated on the tenth business day after the start of the course and adjusted at the mid-term of the semester to account for enrollment changes.

Section 12.4 Special Projects

Adjunct faculty members who accept a Notice of Assignment to perform a special project shall be compensated at the amount specified in a signed document approved by the Chief Academic Officer before the commencement of the special project. On standing or recurring special projects, the Association and Board will mutually agree upon a compensation amount, unless outlined in Appendix A.

Section 12.5 New Course Development

The College may offer a Special Notification of Assignment for an adjunct faculty member to develop a new course at the rate of $2,500.00 per course. The Special NOA will outline the deliverables and the review process that will be agreed upon prior to commencement. The deliverables will become property of the College. Other course materials developed by the
adjunct faculty member and not included as deliverables in the Special NOA will remain the intellectual property of the individual adjunct faculty member. The first time the newly developed course is offered, the College will make every attempt to include it in the contingent assignment for the adjunct faculty member who developed it.

Section 12.6  Summer Classes

An adjunct faculty member assigned to teach a summer class shall be compensated at the rate of pay applicable to the previous academic semester unless a higher rate of pay has been specifically authorized by the Board for that summer class.

Section 12.7  Professional Development

Adjunct faculty members may submit reimbursement requests for pre-approved professional development activities taken in accordance with an approved professional development plan. Reimbursement will be processed in a timely manner, in incremental amounts, up to a total of $300.00 per academic year with no carryover of any unused money from one (1) academic year to the next.

In addition to the individual Professional Development activities, adjunct faculty members may request additional professional development funding from the Chief Academic Officer. The Chief Academic Officer will maintain a fund of $25,000.00 per academic year, within budgetary constraints, for the purposes of additional professional development opportunities for adjunct faculty members.

Section 12.8  Tax-Sheltered Annuity

Voluntary employee salary reductions for internal revenue code section 403(b) tax sheltered annuities and 457(b) deferred compensation shall be available to adjunct faculty members in accordance with current college policy for full-time faculty and in accordance with plan documents and applicable vendor agreements.

Section 12.9  Tuition Waiver

All adjunct faculty are eligible to receive a tuition waiver of two (2) credit hours of McHenry County College courses for each semester of teaching credit classes at the College. These hours may be used by the adjunct faculty member, domestic partner or by their spouse, dependent children, or those grandchildren for whom the adjunct faculty member is the legal guardian.

Approval for courses must be obtained from the Office of Human Resources before registration by using the application for tuition waiver form. Proof of identity and dependent status will be required for spouse, dependent children, or those grandchildren for which the adjunct faculty member is the legal guardian.

These credits continue to accumulate and are available for use as long as unit eligibility is maintained.

27
Section 12.10  Class Preparation Compensation

A stipend of one quarter (1/4) of an adjunct faculty member’s contact hour salary shall be paid to any adjunct whose assigned course section is cancelled within seven (7) calendar days of the first class meeting.

Before the meeting of the first class, the College has the sole discretion to change the class to individualized instruction. In such circumstances, no Class Preparation Compensation will be available. The College will make a good faith effort to offer the course in an individualized instruction mode when scheduling and pedagogical needs allow.

Section 12.11  Vacancies

In the event of an opening of a full-time faculty position, qualified unit adjuncts will be granted an initial interview so long as they submit a completed application within the initial ten (10) working days of the posting, meet the minimum qualification requirements, and are not on disciplinary action.

In the event of a position opening, qualified unit adjuncts will be granted an initial interview so long as they submit a completed application within the initial five (5) working days of the posting, meet the minimum qualification requirements, and are not on disciplinary action.

An announcement of vacancies will be listed on the HR section of the College Portal and accessible to adjunct faculty.

Section 12.12  Release Time

The Board shall grant release time in the amount of up to five (5) days total per calendar year. Release time shall be for the purpose of Association leaders' attendance at the executive council meetings, professional development, conferences or conventions of the Association's local, state or national affiliates. Release time shall be taken on scheduled days of the intended conference, meeting, class or convention. Such release time shall be used as full days. The individuals using release time shall give advance notice of the use of such leave to the appropriate Dean two (2) weeks prior to the absence. The adjunct faculty Association agrees to reimburse the College for each of the release time days utilized at the rate of $150.00 per missed class period.
ARTICLE XIII

ALLOWANCE FOR EMPLOYEE ABSENCE

Section 13.1   Paid Sick Leave

A. During a semester or summer session, in which an adjunct faculty member is under assignment, each adjunct faculty member shall be granted two (2) calendar days of paid sick leave. Adjuncts who only teach during the intersession are excluded.

B. In addition to Section 13.1.A., each adjunct faculty under assignment for nine (9) to 11.99 contact hours in a semester shall be granted an additional one (1) calendar day of paid sick leave. Each adjunct faculty under assignment for twelve (12) or more contact hours in a semester shall be granted an additional two (2) calendar days of paid sick leave.

C. Sick leave may be used in half day increments.

D. Accrued sick leave may be used on any day in which an adjunct faculty member is scheduled to teach.

E. Adjunct faculty will make every effort to notify the College at least four (4) hours prior to the use of paid sick leave.

F. Sick leave will accumulate if unused in the semester earned. The maximum accumulation shall be 180 days.

G. Sick leave will be reported to SURS during a termination of employment event.

In extraordinary circumstances, such as serious illness or death of a family member where the adjunct faculty must miss work and doesn’t have any accrued paid sick time available, and with the approval of the Office of Human Resources, up to two (2) sick days may be donated by any individual adjunct faculty to the individual needing time away, to a maximum of twenty (20) donated sick days. Any days not utilized by the recipient adjunct faculty member will be forfeited.

Section 13.2   Jury Duty

An adjunct faculty member called for jury duty shall be granted special leave with pay to fulfill such duty.

Section 13.3   Emergency Leave Without Pay

An adjunct faculty member shall be granted emergency leave without pay during any given semester for a period up to the duration of that semester, provided the appropriate immediate administrative supervisor has been notified of the circumstances making such leave necessary. No loss of bargaining unit status shall result from this leave, and Section 3.2(b) Voluntary
Inactive Status will apply to any further leave required by the adjunct. An adjunct faculty member may receive an emergency leave once every two (2) years.

**Section 13.4 Bereavement Policy**

Adjunct faculty members shall be allowed four (4) days of paid leave to be taken within one (1) calendar week for the death of a member’s immediate family as set forth below:

A. The term “immediate family” shall mean the adjunct faculty member’s spouse, domestic partner, child, daughter/son-in-law, parent, parent-in-law, brother, sister, grandparent, grandchild, or a legal guardian who has raised the adjunct faculty member. In addition, each adjunct faculty member may take one (1) bereavement leave for a person not on the above list. Additional leaves for persons not on the list shall be subject to the approval of the President of the College and shall not set a precedent.

B. Bereavement days cannot be taken in increments of less than a full calendar day.

C. Such bereavement leave shall not accumulate and shall not carry over.

D. Leave shall be granted provided the appropriate administrative supervisor has been notified.
ARTICLE XIV

ENTIRE AGREEMENT

This Agreement, upon ratification, supersedes all prior agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties, and concludes collective bargaining for this term. Nothing herein shall be construed as precluding the parties, by mutual agreement, to add to, delete or alter this Agreement during the term of this Agreement, provided that such changes are made in a written agreement and executed by appropriate representatives of the College and the Association.
ARTICLE XV

SAVINGS CLAUSE

If any provision of this Agreement is or shall at any time be contrary to or unauthorized by law, then such provision shall not be applicable or performed or enforced, except to the extent permitted or authorized by law; provided that in such event all other provisions of this Agreement shall continue in effect.
ARTICLE XVI

AMNESTY PROVISION

The College hereby agrees that it will not initiate, authorize, commence, or participate in any reprisals or recriminations against any employees of the College as a result of such employees’ participation in or support of the collective bargaining process and/or job action, or in any event or activity resulting from their participation in or support of the collective bargaining process and/or job action. The College further agrees that it will not discriminate in regard to hiring, discipline, discharge, promotion, demotion, or assignment; or in regard to salary, hours, seniority, or working conditions of any employee having participated in or supported said collective bargaining and/or job action.
ARTICLE XVII

III. An adjunct faculty member who substitute teaches shall be paid at a clock hour rate of $50.00.

IV. An adjunct faculty member who teaches applied lessons will be paid at a rate of $50.00 for one (1) hour lesson to be paid in a half (1/2) hour increments. Each subsequent academic year after that the flat applied lesson rate will receive a Consumer Price Index – Urban (CPI-U) adjustment applied to the rates under the Property Tax Extension Limitation Law (PTELL).

V. A program for adjunct mentoring can be established. Each department may assign an adjunct mentor to a newly hired adjunct provided they do not exceed the College’s Affordable Care Act (ACA) limits. The mentor will assist the new adjunct in adjusting to the culture and will be available to answer any questions the adjunct may have. Each semester, the mentor will be compensated $100.00 for mentoring services rendered.
