DATE	REQUESTOR	NATURE OF REQUEST	DATE RESPONSE COMPLETED	NO RESPONSIVE DOCUMENTS	TIME TO COMPLETE REQUEST
<b>1/6/15</b> <b>DUE</b> <b>1/13/15</b>	Steve Willson	I would like to know the percent increase in the property tax levy that was requested by the Board in calendar years 2005 through 2009, inclusive. Please note here that I am not asking for what the County eventually approved, or for the dollars collected. Rather, I want to know what the board requested, i.e., voted for. That's not in the college's CAFR. I would also like to know who voted in favor of the levy request each year. That should be five percentage increases and five vote rosters. Thanks for your help.	1/13/15		<i>2 HRS</i>
