9-9-2020	Dawn Wilhelm, Navy Recruiting	I am writing to request a list containing student recruiting information for students enrolled at your institution for at least one credit for the Fall semester of 2020. In 1996, Congress passed a series of laws that address Military Recruiting and Reserve Officer Training Corps (ROTC) Program Access to Students of Higher Education (commonly referred to as the "Solomon Amendment"- 10 U.S.C. § 65 F.R. 2056) in order to help military recruiters meet congressionally mandated recruitment numbers. Under these laws, colleges must give recruiters access to their campuses and provide them with lists containing "student recruiting information."	9-23-2020	.5 HOUR
