(2023-2024 Catalog)**

**RN to BS in Nursing Program
Eastern Illinois University
600 Lincoln Ave; 2230 McAfee
Charleston, IL 61920
Phone: 217-581-7049
Email: nursing@eiu.edu**

Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

Eastern Illinois University's online format allows the working RN the opportunity to take classes to pursue a baccalaureate degree that meets the individual schedule of the student. Flexibility is maintained in the clinical/practicum courses by the supporting course design of the use of qualified preceptors available in the region that the student lives and works. This approach promotes individual learning with the "one on one" observation of application of theoretical content. Tuition and fees is approximately \$420 per credit hour (2023-2024) and includes course books and technology fees. The BS in Nursing degree program is accredited by the Commission on Collegiate Nursing Education (CCNE).

[Application and Admission Information](#)
