Transfer guides are produced as a service to MCC students. Every effort is made to maintain up-to-date and accurate information; however, this information is subject to change. Such changes take precedence over the information on this guide. Students should work with an MCC advisor and the four-year transfer school. Responsibility for complying with all applicable requirements ultimately rests with the student.

In the state of Illinois, Middle School Teacher Education licensure is for grades 5-8. Illinois State University (ISU) offers the Bachelor of Science in Education degree. Students choose 2 endorsement areas from the following: English Language Arts, Mathematics, Science, Social Science, or English as a Second Language (ESL).

Transfer Options

- **[RedBird Promise](#) guaranteed admission to the University (not to specific major; Middle Level Education has specific admission requirements):**
 - Complete the Redbird Promise Participation Form.
 - Complete AA or AS degree prior to Illinois State enrollment.
 - Achieve a minimum cumulative grade point average (GPA) of 2.4/4.0 in all transferable academic coursework (at all colleges/universities attended) and be in good academic standing at your community college.
- **Completion of the AA degree or the Illinois Articulation Initiative General Education Core Curriculum (GECC Credential) prior to transfer is strongly recommended but not required.**
- **General Education** – The following options satisfy ISU’s general education requirements for transfer students (**Important Note** - The Middle Level Education program requires that you take specific general education courses):
 - IAI GECC, including an AMALI course (cultures and traditions of Asia, the Middle East, Africa, Latin America, or Indigenous Peoples of the World)
 - An MCC AA degree (or AS degree granted under MCC’s 2015/16 or prior catalogs), including an AMALI course
- **For students who transfer prior to completing an AA degree or the IAI core:**
 - ISU credit can be transferred back to MCC for completion of AA degree.
 - IAI core may be completed at ISU by taking ISU-approved IAI courses.

Admission

- Application to the University one year in advance of the semester you would like to enroll is recommended.
- **Application Deadlines** – Early application during preferred filing period is recommended. Early application allows participation in advanced course registration. Students applying or submitting required documents after the preferred filing period will be admitted as space permits. Deadlines are subject to change. For admission details, please refer to this website: <http://admissions.illinoisstate.edu/>.
 - **Summer & Fall:** Application Deadline – May 1; Required Document Deadline – June 1; Preferred Filing Period – September 1 – January 1
 - **Spring:** Application Deadline – November 1; Required Document Deadline – November 1; Preferred Filing Period – April 1 – August 1.

- **Admission GPA Calculation** - For repeat courses, ISU uses the last repeated grade for calculating admission GPA. Admission is competitive and selective. Minimum GPA for consideration for Middle School is 2.7.

Professional Studies

Admittance to Professional Studies is a prerequisite for enrollment in certain courses. The following requirements are included:

- Admission to ISU and to the Middle Level program
- Completion of English 101 (MCC's ENG151) and Communication 110 (MCC's SPE151) with a grade of C or better
- Criminal background self-assessment and an Illinois State Police background clearance
- Verification of a negative TB test; updated annually

Additional Information

- **Recommended courses prior to transferring:**
 - Composition (ENG151 & 152)
 - COM110 Speech (SPE151)
 - AMALI course
 - Completion of the AA degree or the IAI GECC core
- Middle School majors are required to complete a core set of education classes as well as a concentration in at least two subject areas (Mathematics, Science, Social Sciences, Language Arts or English as a Second Language (ESL). With very careful planning, it is possible for students to graduate with two years at ISU (exception—math & ESL endorsement).
- **Maximum hours from a community college** - Up to 70 academic credits may be transferred from a community college.
- **Catalog Rule** – Transfer students are placed in the catalog associated with their term of ISU admission. A transfer student is eligible for a previous catalog (up to 2 years prior to assigned catalog) if it is in the student's best interest. Transfer admission counselors will work closely with transfer students to make sure students are not disadvantaged. **Please note that mandatory Illinois state standards for teacher education majors takes precedence over the Catalog Rule.**
- **Grade Requirement** - Students must earn a grade of C or better in all coursework required as part of their certification program. This includes all endorsement areas, major courses, and professional education.
- **Fixed Tuition Pledge** – Illinois State locks in tuition and fees for four years.
- **Transfer Student Scholarship** (NEW: automatic!) – Up to \$3,000 (up to \$1,500 per year, renewable for two years of undergraduate career). The Transfer Student Scholarship is automatically awarded to first-time transfer students based on academic merit and the competitiveness of the applicant pool, beginning with students applying for summer 2020. To be eligible, students must have at least a 3.5 cumulative transfer GPA and apply for admission in the [preferred filing period](#). Students must have at least 12 earned college-level credit hours by the end of the filing period and 24 credit hours completed hours by the time of enrollment. No separate scholarship application is required.

Education Plan

The plan satisfies MCC's AA degree and ISU's general core requirements. **Refer to MCC's AA degree planning sheet or catalog for approved IAI courses and detailed degree requirements.** Your ISU Middle School program requires 2 endorsement areas. Select courses with assistance from the ISU contact person noted on the front page of this guide and an MCC academic advisor.
