The College of Education and Professional Studies is approved by the Wisconsin Department of Public Instruction.

For students who wish to return to Illinois to teach, please note that specific requirements for teaching licensure vary with each individual state in the US. Each state's licensing agency sets requirements. For Illinois requirements, please reference the following website:

<https://www.isbe.net/Pages/Educator-Licensure-Application.aspx>

Students who have completed an Associate of Art or Associate of Science degree from MCC will meet the UW-Whitewater general education requirements. Some lower level degree requirements will have to be completed upon transfer to UW-Whitewater.

Admission

Students must be admitted to the University and then apply for formal Admission to Professional Education through the College of Education and Professional Studies (typically transfer students' first semester on campus) in order to take upper-level education courses. Admission to the University does not guarantee admission to Professional Education.
